

Welcome to The Club at Combe Grove

Thank you for your interest in joining The Club at Combe Grove.

Nestled in 70-acres of mature woodland with breathtaking views over the Limpley Stoke Valley, Combe Grove is the perfect environment to nurture your health and wellbeing. The Combe Grove Estate is part of The Elmhurst Foundation, a charitable trust improving health and wellbeing, providing valuable apprenticeships, and benefiting the local community.

COMBE GROVE

The Gym

Our modern gym is home to innovative equipment chosen for its sustainability and eco-credentials. Every thought has gone into creating a positive and socially responsible environment to benefit both you and the planet.

The Team will conduct a full gym induction with you on joining, to familiarise you with the equipment. Our friendly coaches are here to offer encouragement and support throughout your induction and future workouts.

Fitness Assessment

On joining, we offer new members a health and fitness assessment and can design a training plan that is bespoke to you. If you have a specific goal in mind we can work with you on tailoring your routine. The Team is on hand to offer guidance and support.

Personal Training

Our Team of qualified personal trainers are supported by our valued apprentices. With a range of different interests and areas of expertise, members of The Club can book a 1:1 session* to support you in your health and wellness goals. With Team members working with GP referrals, we can help you return to fitness post-surgery, with cardio rehabilitation and in support of prediabetes. This can be invaluable for helping you stay motivated and on track with your health and wellness ambitions.

Studio Classes

We have an extensive studio timetable offering a wide range of classes, both online and in the studio. From cardio fitness to mindful movement there is something to support every wellness goal. Designed to inspire and challenge, classes can be booked online a week in advance. Our popular Les Mills classes are complemented by a range of yoga, pilates and barre sessions. Spin classes take place in the Spin studio on a suite of Life Fitness IC5 Spin bikes.

Swimming

The indoor pool is 16.6m in length, allowing the whole space to be used for water-based wellness classes when not dedicated to lane swimming. The adjacent steam room and hydrotherapy beds are supplemented by single-sex saunas in the changing rooms. Step outside to find the heated 12m long outdoor pool, perfect for a seasonal dip and to swim surrounded by nature. Open 8am until 6pm.

Wellness Treatments

The Wellness Treatments at Combe Grove are inspired by the outstanding natural beauty of The Estate. We invite you to enjoy a wellness journey incorporating both mind and body, helping you to slow down, relax and unwind. In our treatments, we use pure, organic products from the South West of England with selected medicinal herbs to support the therapeutic benefit of treatments. Members receive 15% off treatments and therapies.

Tennis

We have two indoor astro tennis bubbles, newly resurfaced and flood lit for year-round play, as well as an outdoor court, also newly resurfaced. Our collaboration with a local professional tennis coach* means that members can book tennis coaching sessions for individuals or groups to help improve play no matter what your current skill level.
