YIN YOGA

Yin is a slow pace style of yoga in which we remain still during postures, for a longer length of time than yang practices. Yin targets the deeper layers of connective tissue and fascia, increasing circulation, improving flexibility and encouraging introspection and self-care. Yin is a practice of stillness and patience, an opportunity to observe, nurture and cultivate balance in our minds and bodies. Please bring a blanket or towel if you wish to use the bolster cushions.

MY KIND OF YOGA

This class is a straightforward no fluff approach to yoga, it has a different theme each month and starts with a warm up, then some sun salutations, some standing strength poses and then a relaxation/meditation to finish. Suitable for all levels.

JOINT RESTORATION

This class will focus on getting the joints in the body back to full health, restoring natural movement and reducing pain. We will do this by safely moving the joints how they were designed to move whilst strengthening the surrounding tissues. Suitable for all levels.

BREATHWORK & RELAXATION

The yogic practice of breathwork is also known as Pranayama. The breath exercise will be taken mostly seated, closing in restorative yoga pose and guided relaxation. The main philosophy of breathwork is that our everyday lives burden us all with physical or emotional blocks in our bodies which obstruct the flow of prana, our life force. Practising breathwork clears these blocks in our body so prana and breath can flow fluidly.
